The hotel rooms can be paid for by way of bank transfer not later than within 7 working days (the requisite information for payment will be specified later), or in cash – at arrival. The guests should take note that at the hotel payments cannot be made by bankcard; however cash can be withdrawn in any bank or bank terminal.

The organizers can also arrange meeting the guests at any airport in Bulgaria or at the airport in Bucharest, Romania, and transfer from airport to hotel and from hotel to airport when leaving. The cost of transfer from the airports in Sofia and Bucharest to hotel, and also from hotel to airport (one way) is 130 Euros (up to 6 people). The cost for transfer from airport and to airport in Burgas is 20 Euros per person.

For information: when arriving to Sofia, you can avoid 5 hours of road travel along the coast (Burgas-Varna) by purchasing a local flight ticket costing approximately 80 to 100 Euros both ways.

Whatever information you need more, please write an e-mail to shashki@abv.bg (Bogdan Janev).
